Pine Lake Saddle Club

"It is a great group that makes a great family event. It seems like when something is going on, there is always people who jump in and help. It is really a fun time whether it is a fun show or a trail ride."

Pine Lake Saddle Club

The Pine Lake Saddle Club (PLSC) was founded in the early 1960s by a group of horse enthusiasts to provide a family atmosphere for the enjoyment of various horse related activities.

Today

The Pine Lake Saddle Club has over 50 families as members and continues to sponsor numerous horse related activities. The PLSC is a non-profit organization. We rely on subscriptions, and fundraisers to keep us going. Each year the PLSC conducts 10 trail rides at different locations in Hardin County, including our annual All Day Trail Ride;

three horse shows; and we ride in various community parades throughout the area. In addition, the PLSC is involved in several community activities.

We are always looking for new places to ride, if interested in allowing a trail ride on your property please contact us.
